

Accounting & HR Workspace

One sign-in. One secure platform.

People, time, budgets, RFPs, purchasing, and knowledge:

Six apps built for finance offices, business offices, and HR teams in Local Government and K-12.

**People (HR)**

Personnel files, onboarding, and certifications in one place.

**Time Clock**

Punches, timesheets, and approvals that feed payroll.

**Budget**

Plan next year line by line, with history alongside.

**RFP Management**

Post solicitations, collect bids, and score them fairly.

**Order Tracker**

Every purchase tracked from request to received.

**Knowledge**

The office's how-tos, searchable by everyone.

FIRST WORKSPACE

\$7,500 /year

All six apps included.

EACH ADDITIONAL WORKSPACE

+\$5,000 /year

Additional workspaces. **33% less.**

Add IT & Facilities, Public Safety, or Clerk's Office workspaces any time.

One sign-in

HR, time, budgets, and purchasing stop living in five separate systems.

Built for civic work

Built for the demands of local government and school operations.

Start small, expand

Begin with one workspace; add more departments at the flat add-on price.
